Join Our Team

Project Floral is a woman-owned, Denver-based, luxury wedding and event florist, 10+ years in the making! Through our modern approach and commitment to artistry, we strive to create unique, personalized designs. As modern design practices continue to develop, we seek to be at the forefront of nurturing our relationship with our community and environment. We are proud to work with clients of all races, sexual orientations and gender identification, celebrating love as love.
